

THERAPEUTIC HEALTH SERVICES

2017 A/DIS Class Schedule

Therapeutic Health Services is offering A/DIS classes at its Eastside and Summit Branches throughout 2017.

What is A/DIS?

Alcohol and Drug Information School (A/DIS) is a specialized course that helps individuals make more informed decisions about substance use. Participants will have the opportunity to learn about the risks and consequences associated with the continued use of potentially addictive substances. A/DIS is a workbook based course meant to educate and inform people about the decisions they make and their impact on themselves and those around them. The A/DIS classes offered through Therapeutic Health Services meet the requirements set forth in the Washington State Administrative Code (WAC) in conjunction with Washington State Courts, Probation, and the Washington State Dept. of Licensing.
